AOA Sir,

I hope you will be fine and healthy. It seems a really heart touching initiative of writing a book on the life of Late Dr Hassan Sohaib Murad. It will be an honor for me to write something on his life regarding the sympathy that he had for the students of remote areas from all over the Pakistan.

I will try to write something in Pashto preferably, but the least possibility will be that I will cover his cowardice behavior with all of us from Baluchistan as his own children. Therefor it seemed on his very death that we lost our true guardian.

Farhad Khan,
BSIT from UMT Lahore,
MA ELM from UOE Lahore.
