I cant explain Dr. Hassan's care and love for the students he was the man of words. Once i was caught in a financial problem and i dont have my quarter fee and i requested him to grant me a fee discount he say's yes it was a great pleasure for me to get it on the low gpa because of some cources issues. Now what ever I am due to his great support. His working for islam and teaching were outstanding as i always saw his smily face covered with noor and meraab and never saw a man like him. May Allah pak make his grave the garden of jannah and the king among janati..he made his akhirat best which is the best thing. Umt glooms due his name and i want that the Umt will remain same after him.
