

Dr Hasan Sohaib Murad Tenure as Chairman NBEAC

He has served as a Council Chairman from April 2011 to September 2018 till his demise and before that he has served as a council member from 2008-2011.

NBEAC's Core Function:

NBEAC has three main functions: accreditation, training and networking. In its accreditation function, it develops and implements standards to improve the quality of business education in Pakistan. In its training function, it provides opportunities to faculty and managers to learn about quality standards and related matters. In its networking function, it provides a forum for business education professionals to learn from each other through conferences and seminars.
